Dear Friends,

Bi-State Primary Care Association hopes you are enjoying the early winter wonderland this snowy, holiday season! We are grateful for your ongoing support of our mission to bring greater access to primary and preventive care to all, especially to the most vulnerable populations in New Hampshire and Vermont.

Give the gift of health this year by referring your friends and family to their local [Community Health Center](#) for access to medical, dental, and behavioral health care.

We wish you the most enjoyable holiday season with family and friends!
