Manchester Community Health Center
Conversation facilitated by Kristine Stoddard, Esq., Director, NH Public Policy
Bi-State Primary Care Association

When: Thursday, January 7, 2016
5:00-6:30 p.m.

Where: Manchester Community Health Center
145 Hollis Street, Manchester, NH

RSVP requested, but not required:
Email: kstoddard@bistatepca.org or call 228-2830 x 113

Why Attend?

The New Hampshire Legislature created the New Hampshire Health Protection Program in 2014 to extend health insurance to people ineligible for the NH Health Insurance Marketplace plans and traditional Medicaid coverage.

Nearly 45,000 Granite Staters depend on the Health Protection Program now, including 6,500+ Manchester residents. The program will terminate in December 2016 unless our representatives vote to reauthorize it.

Please join us in a conversation with health care providers, elected officials and community members. We especially welcome people enrolled in the Health Protection Program to share with us the importance of this program to them and their families.

Hosted by Bi-State Primary Care Association and the Manchester Community Health Center and Child Health Services.
