Health Care for the Homeless (FQHC)	√	
Health First Family Care Center (FQHC)	√ ¹	
Indian Stream Health Center (FQHC)	√	
Lamprey Health Care (FQHC)	√	
Manchester Community Health Center and Child Health Services at MCHC (FQHC)		√
Mid-State Health Center (FQHC)	√	

NOTE: Achieving 25 percent of health centers nationally certified as patient centered medical homes by the end of FY 2013 is a “priority goal” of HRSA and the Department of Health and Human Services.² As of February 2014, 66% of New Hampshire’s FQHCs have been recognized by the National Committee for Quality Assurance (NCQA) as Patient Centered Medical Homes (PCMH).

¹ Health First Family Care Center is a Level I site; all others are level III.
