

## Vermont Migrant Farmworkers: Partners working in collaboration to ensure access to health care

**Counties Served:**

<b>2009-2012</b> 16 farms/447 workers	<b>2012-2015</b> 145 farms/716 workers	<b>2015-2018</b> 202 farms/1,100 workers
--	---	---

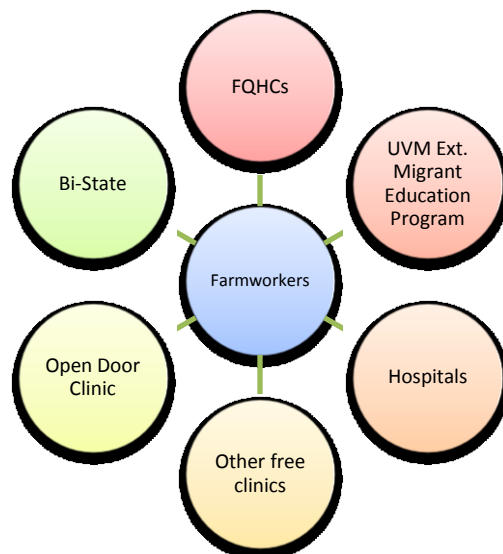

### Farmworkers bring unique access barriers

1. Language
2. Lack of insurance
3. Cost of care
4. Transportation
5. No time to go to the doctor
6. Fear of leaving the farm

### What can the legislature and other partners do to support the project?

- Sustain medical infrastructure
- Sustain care coordination model
- Address barriers to care

### Care coordination in action
