NH Members of Congress Recognized for Unwavering Commitment to Public Service and Underserved Communities

WASHINGTON, DC – March 31, 2021 -- Bi-State Primary Care Association is recognizing the NH Members of Congress for their unwavering commitment to putting people and community first. “We thank and honor Senators Jeanne Shaheen and Maggie Hassan, Congresswoman Annie Kuster, and Congressman Chris Pappas with the ‘Service Leadership Award’ for their steadfast perseverance in seeking critical resources to serve those most in need,” said Tess Stack Kuenning, President and CEO. The Service Leadership Award reflects New Hampshire’s Members of Congress long-standing commitment to ensuring access to health care, housing, food, and other essential services. Their efforts to support Granite Staters are exemplary, especially given this exceedingly arduous COVID-19 pandemic journey. In honor of their public service commitment, “Bi-State will donate to the New Hampshire Foodbank to increase food security for Granite Staters,” said Ms. Kuenning.
