Vermont Members of Congress Recognized for Unwavering Commitment to Public Service and Underserved Communities

WASHINGTON, DC – APRIL 1, 2021 - Bi-State Primary Care Association is recognizing the VT Members of Congress for their unwavering commitment to putting people and community first. “We thank and honor Senators Patrick Leahy and Bernie Sanders, and Congressman Peter Welch with the ‘Service Leadership Award’ for their steadfast perseverance in seeking critical resources to serve those most in need,” said Tess Stack Kuenning, President and CEO. The Service Leadership Award reflects Vermont’s Members of Congress long-standing commitment to ensuring access to health care, housing, food, and other essential services. Their efforts to support Vermonters are exemplary, especially given this exceedingly arduous COVID-19 pandemic journey. In honor of their public service commitment, “Bi-State will donate to Hunger Free Vermont and the Vermont Foodbank to increase food security for Vermonters,” said Ms. Kuenning.
