Clinical Measures Resources

The following resources support clinical measure reporting:

- ◆ [eCQI Resource Center](#) - Learn about eCQI resources and connect with the community of professionals who are dedicated to clinical quality improvement for better health
- ◆ [eCQM Library](#) – Access eQMs, their reporting requirements and supporting materials for their implementation
- ◆ [United States Health Information Knowledge \(USHIK\)](#) – Electronic Quality Measures - USHIK provides tools to support clinical measure reporting.
 - ➔ Please see this [video](#) for instructions on how to use USHIK
- ◆ [ONC Issue Tracking System \(OITS\) JIRA project CQM Issue Tracker](#) – You will need to log into the system [here](#). You will need to create a log-in for the Issue Tracking System. You can set up this free account by signing up [here](#).
- ◆ [National Quality Forum Measure Library](#) – Includes search and comparison tools and the ability to download information.
- ◆ [CMS Quality Payment Program \(QPP\)](#) – This website outlines the CMS incentive payment programs which include quality measure reporting requirements
- ◆ [Health Effectiveness Data and Information Set \(HEDIS\)](#) – This links to HEDIS measures and technical resources
- ◆ [Healthy People 2020](#) – Science based national objectives for improving the health of all Americans
- ◆ [Million Hearts](#) – This website address cardiac health and provides tools and protocols, data and reports, links to champions and innovations and information to learn more about and prevent heart disease
- ◆ [US Preventative Services Task Force](#) – This website provides evidence-based recommendations about clinical preventive services.
- ◆ [SAMHSA-HRSA Center for Integrated Health Solutions](#) – Resources for depression screening tools.

Health Statistics

- ◆ [CDC National Center for Health Statistics](#) - quick access to statistics on topics of public health importance
- ◆ [State Tobacco Activities Tracking and Evaluation System](#) – State tobacco statistics
- ◆ [America’s Health Foundation Health Rankings](#) – State diabetes statistics

Other BPHC Resources

- ◆ [UDS Modernization Initiative](#) - Reduces reporting burden, improves data quality and better describes the impact of Health Center Program services and outcomes.
- ◆ [UDS Health Center Adjusted Quartile Ranking](#) - provides a health center’s adjusted quartile ranking compared to health centers nationally for each of the clinical performance measures.
- ◆ [HRSA Quality Improvement Awards](#) - Quality Improvement Awards (QIA) recognize the highest performing health centers nationwide as well as those health centers that have made significant quality improvement gains from the previous year.
- ◆ [UDS Mapper](#) - This is a mapping and decision-support tool driven primarily from UDS data.
- ◆ [National Cooperative Agreements/Special Population Reporting](#) – Links to organizations that provide training and technical assistance to health centers and look-alikes. HRSA funds National Cooperative Agreement programs, including:
 - ✓ [Asian American, Native Hawaiian, and other Pacific Islander Communities](#)
 - ✓ Individuals Experiencing Homelessness – [Cooperation for Supportive Housing](#) and [National Health Care for the Homeless Council](#)
 - ✓ [Lesbian, Gay, Bisexual and Transgender \(LGBT\) People](#)
 - ✓ Migratory and Seasonal Agricultural Workers: [Farmworker Justice](#), [Health Outreach Partners](#), [MHP Salud](#), [Migrant’s Clinician’s Network](#), [National Center for Farmworker Health](#)
 - ✓ Residents of Public Housing: [National Nurse-Led Care Consortium](#) and [National Center for Public Housing](#)
- ◆ [Primary Care Associations \(PCA\)](#) – Link to webpage that also links to all PCAs
