

2024-2025 Leadership Development Program

Join Our Seminar Series and Earn a Certificate in Community Health Leadership

Elevate your career and enrich your understanding of health center operations through our Certificate in Community Health Leadership. This comprehensive program is crafted to empower participants with essential leadership skills crucial for driving impactful change within their teams and organizations.

Through a blend of interactive workshops and hands-on exercises, participants will delve into topics such as authentic leadership, using data to improve quality and understanding the financial impact of operational planning. Moreover, our program fosters networking, enabling participants to connect with peers in community health centers across New Hampshire and Vermont as well as industry experts thereby enriching their professional circle.

With a focus on practical application and real-world scenarios, Bi-State's Leadership Development Program equips participants with the tools and confidence needed to excel in the dynamic landscape of community health centers. Join us in shaping the future of health care leadership and use your new skills to make a lasting difference in your community.
